2D Profiles – 2019 MCWD AEM Resistivities with E-Logs

Page

A1-Rho-3 – A1-Rho-28 This document contains 2D Profiles of the 2019 MCWD AEM Resistivities with E-Logs for comparison and validation.

Each page has a flight line location map including locations of geophysical logs (green dots) and a 2D inverted resistivity profiles with overlain geophysical electric logs.
