

PUBLIC NOTICE
Salinas Valley Basin Groundwater Sustainability Agency

On 12/13/18, the SVBGSA Board approved release of Chapters 1-3 of the draft Groundwater Sustainability Plan (GSP) for the 180/400 Foot Aquifer Subbasin for a 30 day public review and comment period. The GSP is being prepared in keeping with the Sustainable Groundwater Management Act of 2014. All chapters of the final 180/400 foot Subbasin GSP must be completed and approved by the Board and filed with the California Department of Water Resources by 1/31/20.

Chapters 1-3 of the draft GSP may be viewed at <https://svbgsa.org/groundwater-sustainability-plan/> The public is invited to submit comments to General Manager Gary Petersen at peterseng@svbgsa.org
