Background: On February 9th 2023, the SVBGSA Board of Directors adopted a policy which states that it is appropriate to consider a tiered fee structure for setting the regulatory fee on an annual basis. SVBGSA is seeking input on the potential change to the regulatory fee structure. If a tiered fee structure is approved, the regulatory fees will no longer be the same for every subbasin. Alternatively, the Board could continue with a uniform regulatory fee for all subbasins.
